Subject: CSM Questions - LWG Response

Valerie, please forward to EPA and LWG Management.

Attached is LWG's response to EPA CSM Questions. It is our understanding that EPA will forward comments on the comprehensive Round 2 report outline after reviewing the comments. If at all possible, we would like to receive the outline comments by May 12 and schedule a meeting soon after with the EPA/LWG CSM team. A copy of the Outline provided for the CSM meeting on April 18th is attached.
